## BAB I PENDAHULUAN

A. Latar Belakang Masalah .................................................. 1  
B. Rumusan Masalah ........................................................ 6  
C. Tujuan Penelitian ....................................................... 7  
D. Manfaat Penelitian ...................................................... 7  
E. Batasan Penelitian ....................................................... 8  
F. Hipotesis ................................................................. 9  
H. Penjelasan Istilah ....................................................... 9  

## BAB II LANDASAN TEORI

A. Konsep Olahraga .......................................................... 11  
1. Pengertian Olahraga .................................................... 11  
   1.1 Secara Mikro ....................................................... 16  
   1.2 Secara Makro ....................................................... 16  
2. Tujuan Olahraga ........................................................ 18  
3. Manfaat Olahraga ....................................................... 19  
4. Aktivitas Olahraga di Luar Jam Sekolah ........................... 24  
B. Kota dan Desa ............................................................ 26  
1. Pengertian Kota dan Desa .............................................. 26
BAB III METODE PENELITIAN
A. Prosedur Penelitian ................................................................. 44
B. Populasi dan Sampel ............................................................... 45
1. Populasi .................................................................................. 45
2. Sampel .................................................................................. 46
C. Desain Penelitian ................................................................. 48
D. Alat Pengumpulan Data .......................................................... 50
E. Pelaksanaan Pengumpulan Data .............................................. 54
F. Prosedur Pengolahan Data ..................................................... 54

BAB IV PENGOLAHAN DATA DAN PEMBAHASAN PENELITIAN
A. Analisis Data ........................................................................... 56
1. Persentase Aktivitas Olahraga Siswa SMP Kota ...................... 57
2. Persentase Aktivitas Olahraga Siswa SMP Desa ................. 97
3. Pesentase Subvariable Aktivitas Olahraga Siswa SMP di Kota
   dan Siswa SMP di Desa .......................................................... 141
B. Diskusi Penemuan ................................................................. 143

BAB V KESIMPULAN DAN SARAN
A. Kesimpulan ............................................................................. 146
B. Saran ..................................................................................... 147
