KATA PENGANTAR ................................................................................................... ii
DAFTAR ISI ............................................................................................................... iii
DAFTAR GAMBAR ................................................................................................... iv
DAFTAR TABEL ........................................................................................................ v

BAB I PENDAHULUAN
A. Latar Belakang Penelitian ..................................................................................... 1
B. Identifikasi dan Perumusan Masalah .................................................................... 6
C. Tujuan Penelitian .................................................................................................. 6
D. Metode Penelitian ................................................................................................ 7
E. Manfaat Penelitian ................................................................................................ 7
F. Struktur Organisasi Skripsi ................................................................................... 8

BAB II KAJIAN PUSTAKA
A. Aplikasi Pembelajaran ........................................................................................ 10
   1. Pengertian Aplikasi .......................................................................................... 10
   2. Pengertian Pembelajaran ................................................................................ 11
      3. Proses Belajar Mengajar
         a. Pengertian Belajar .................................................................................... 17
         b. Pengertian Mengajar ................................................................................ 18
   B. Olah Tubuh ......................................................................................................... 25
      1. Pengertian Olah Tubuh ................................................................................. 25
      2. Tujuan dan Manfaat Olah Tubuh
         a. Tujuan Olah Tubuh .................................................................................. 27
         b. Manfaat Olah Tubuh ................................................................................ 33
   C. Keterampilan Menari ......................................................................................... 34

BAB III METODE PENELITIAN
A. Lokasi dan Populasi/Sampel Penelitian ............................................................... 41
B. Desain Penelitian ................................................................................................ 42
C. Metode Penelitian ................................................................................................ 43
D. Definisi Operasional ............................................................................................ 45
E. Instrumen Penelitian ............................................................................................ 48
F. Teknik Pengumpulan Data .................................................................................. 52
G. Analisis Data ........................................................................................................ 55
BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Hasil Penelitian ................................................................. 59
   1. Pembelajaran Olah Tubuh ............................................. 59
   2. Hasil Pembelajaran Olah Tubuh ................................. 87
B. Pembahasan Hasil Penelitian ..................................... 89

BAB V KESIMPULAN DAN SARAN
A. Kesimpulan ............................................................... 98
B. Saran ........................................................................ 98
