BAB I PENDAHULUAN
A. Belakang ........................................................................................................ 1
B. Identifikasi dan Rumusan Masalah ................................................................. 8
C. Tujuan Penelitian .......................................................................................... 10
D. Manfaat Penelitian ....................................................................................... 11
E. Asumsi ........................................................................................................... 11
F. Hipotesis ........................................................................................................ 12
G. Metode Penelitian ....................................................................................... 13
H. Lokasi dan Sampel Penelitian .................................................................... 13
I. Teknik Pengumpulan dan Analisis Data ....................................................... 14

BAB II TEKNIK MANAJEMEN DIRI UNTUK MENGURANGI KECANDUAN ONLINE GAME
A. Kecanduan Online Game ........................................................................... 16
B. Manajemen Diri ............................................................................................ 25

BAB III METODE PENELITIAN
A. Pendekatan Penelitian ............................................................................... 44
B. Populasi dan Sampel Penelitian ................................................................ 45
C. Definisi Operasional Variabel ................................................................... 45
D. Instrumen Pengumpulan Data .................................................................... 49
E. Uji Coba Alat Ukur ..................................................................................... 52
F. Langkah-langkah Penelitian ....................................................................... 53
G. Teknik Analisis Data .................................................................................. 75

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Hasil Penelitian .......................................................................................... 77
B. Pembahasan Hasil Penelitian .................................................................... 105

Detria, 2013
Efektivitas Teknik Manajemen Diri Untuk Mengurangi Kecanduan Online Game (Penelitian Eksperimen Kuasi Terhadap Siswa Kelas IX SMPN 40 Bandung Tahun Ajaran 2012/2013)
Universitas Pendidikan Indonesia | repository.upi.edu
BAB V KESIMPULAN DAN REKOMENDASI

A. Kesimpulan .................................................................................................................. 119
B. Rekomendasi .................................................................................................................. 119
