BAB I PENDAHULUAN
1.1 Latar Belakang Masalah .......................................................... 1
1.2 Rumusan Masalah .............................................................. 4
1.3 Tujuan Penelitian ................................................................. 5
1.4 Manfaat Penelitian ............................................................. 5
   1.4.1 Manfaat Secara Teoritis ............................................... 5
   1.4.2 Manfaat Secara Praktis .............................................. 6
1.5 Asumsi .............................................................................. 6

BAB II LANDASAN TEORI
2.1 Kajian Pustaka ................................................................... 8
   2.1.1 Prestasi Belajar .......................................................... 8
      2.1.1.1 Pengertian Belajar .............................................. 8
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian .................................................................................................................. 68
  4.1.1. Gambaran Umum Responden .................................................................................. 68
  4.1.2. Gambaran Umum Variabel Penelitian .................................................................. 69
    4.1.2.1 Prestasi Belajar (Y) ......................................................................................... 69
    4.1.2.2 Gaya Belajar (X) ............................................................................................. 73
  4.2 Pengujiu Instrumen ......................................................................................................... 92
    4.2.1 Uji Validitas .......................................................................................................... 93
    4.2.2 Uji Reliabilitas ...................................................................................................... 95
  4.3 Analisis Data ..................................................................................................................... 96
  4.4 Pengujian Hipotesis ......................................................................................................... 99
    4.4.1 Uji Normalitas ........................................................................................................ 99
    4.4.2 Uji t .......................................................................................................................... 100
    4.4.4 Koefisien Determinasi ......................................................................................... 102
  4.5 Pembahasan Hasil Penelitian .......................................................................................... 103
    4.5.1 Pengaruh Gaya Belajar Terhadap Prestasi Belajar .............................................. 103
      4.5.1.1 Pengaruh Gaya Belajar Diverger Terhadap Prestasi Belajar .......................... 104
4.5.1.2 Pengaruh Gaya Belajar Assimilator Terhadap Prestasi

Belajar .......................................................... 105

4.5.1.3 Pengaruh Gaya Belajar Converger Terhadap Prestasi

Belajar .......................................................... 106

4.5.1.4 Pengaruh Gaya Belajar Accommodator Terhadap Prestasi

Belajar .......................................................... 107

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan .................................................. 108

5.2 Saran .......................................................... 111
