PERNYATAAN ................................................................. i
ABSTRAK ................................................................. ii
KATA PENGANTAR ............................................................... iii
UCAPAN TERIMA KASIH .................................................... iv
DAFTAR ISI ............................................................... vi
DAFTAR TABEL ............................................................... viii
DAFTAR GAMBAR ......................................................... ix
DAFTAR LAMPIRAN ......................................................... x

BAB I PENDAHULUAN
A. Latar Belakang ................................................................. 1
B. Identifikasi dan Rumusan Masalah ........................................ 4
C. Batasan Masalah ............................................................. 4
D. Tujuan Penelitian .......................................................... 5
E. Metode Penelitian .......................................................... 6
F. Manfaat Penelitian .......................................................... 6
G. Struktur Organisasi Skripsi ................................................ 7

BAB II KAJIAN PUSTAKA
A. Teori Belajar dan Pembelajaran ........................................... 8
B. Hasil Belajar .................................................................... 10
C. Metode Pembelajaran Tutor Sebaya .................................... 11
D. Metode Pembelajaran Konvensional .................................... 17
E. Perbandingan Tahapan Metode Pembelajaran Tutor Sebaya dengan Metode Pembelajaran Ceramah ............................................. 18
F. Aktivitas Belajar .............................................................. 20
G. Penelitian Terdahulu Mengenai Tutor Sebaya ...................... 20
H. Asumsi .......................................................................... 20
I. Variabel Penelitian ............................................................ 21

Imam Munandar, 2013
Penggunaan Metode Tutor Sebaya Untuk Meningkatkan Keaktifan Dan Hasil Belajar Siswa Pada Mata Pelajaran Teknik Pengendali Di Kelas Xi Mekatronika SMK Negeri 2 Cimahi
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
BAB III METODE PENELITIAN
A. Lokasi, Populasi, Sampel dan Waktu Penelitian .................. 24
B. Desain Penelitian ............................................................... 25
C. Metode Penelitian ............................................................... 26
D. Definisi Operasional ............................................................. 27
E. Prosedur dan Alur Penelitian ............................................. 28
F. Instrumen Penelitian ............................................................. 30
G. Teknik Pengumpulan Data ............................................... 31
H. Teknik Analisis Data ............................................................ 33

BAB IV HASIL DAN PEMBAHASAN
A. Tahapan Pembelajaran ....................................................... 41
B. Pengolahan Data Penelitian ................................................ 59
C. Analisis Data Hasil Penelitian ............................................. 59
D. Temuan dan Pembahasan Hasil Penelitian ......................... 65
E. Matrik Penelitian ............................................................... 69

BAB V KESIMPULAN DAN SARAN
A. Kesimpulan ..................................................................... 71
B. Saran ............................................................................... 72

DAFTAR PUSTAKA ................................................................. 73
DAFTAR TABEL

Tabel 2.1 Perbandingan Tahapan Metode Konvensional dan Tutor Sebaya ..........19
Tabel 3.1 Waktu Penelitian ..................................................................................25
Tabel 3.2 Desain Penelitian ..................................................................................25
Tabel 3.3 Teknik Pengumpulan Data ....................................................................32
Tabel 3.4 Kategori Perolehan Skor ......................................................................35
Tabel 3.5 Tabel Uji Normalitas ............................................................................37
Tabel 3.6 Penafsiran Persentase Hasil Penilaian Sikap ........................................38
Tabel 4.1 Daftar Nama Tutor Sebaya ..................................................................42
Tabel 4.2 Proses Pembelajaran Kelas Kontrol dan Eksperimen ..........................45
Tabel 4.3 Data Pretest, Posttest, Gain Kelas Kontrol ..........................................46
Tabel 4.4 Data Pretest, Posttest, Gain Kelas Eksperimen ....................................47
Tabel 4.5 Data Pretest Kelas Kontrol ..................................................................48
Tabel 4.6 Data Posttest Kelas Kontrol ..................................................................49
Tabel 4.7 Data Gain Kelas Kontrol .....................................................................50
Tabel 4.8 Data Pretest Kelas Eksperimen ............................................................51
Tabel 4.9 Data Posttest Kelas Eksperimen ...........................................................53
Tabel 4.10 Data Gain Kelas Eksperimen ...............................................................54
Tabel 4.11 Perbedaan Rata-Rata Gain Kelas Kontrol dan Eksperimen ................55
Tabel 4.12 Keaktifan Siswa Kelas Kontrol ...........................................................56
Tabel 4.13 Keaktifan Siswa Kelas Eksperimen .....................................................56
Tabel 4.14 Perbandingan Keaktifan Siswa ............................................................58
Tabel 4.15 Hasil Uji Normalitas Data Pretest ........................................................60
Tabel 4.16 Hasil Uji Normalitas Data Posttest .......................................................61
Tabel 4.17 Hasil Uji Normalitas Data .................................................................61
Tabel 4.18 Uji Persamaan Dua Rata-Rata Data Pretest .......................................63
Tabel 4.19 Uji Persamaan Dua Rata-Rata Posttest ..............................................63
Tabel 4.20 Hasil Uji Persamaan Dua Rata-Rata Skor Gain .................................64
Tabel 4.21 Matrik Penelitian ..............................................................................69
DAFTAR GAMBAR
